ADDITIONAL SERVICES

FOR CHANNEL PARTNERS

Continuous marketing support in terms of catalogs, samples, showroom displays and more. And continuous development in product range in order to match dynamic market requirements.

FOR LARGE SCALE PROJECTS

Large team of highly skilled and experienced designers ensure efficient product engineering as well as mass production planning for any large project requirements. And working along with them, a team of experienced supervisors and contractors ensure smooth on-site execution.

FOR EXPORTS-OVERSEAS CLIENTS

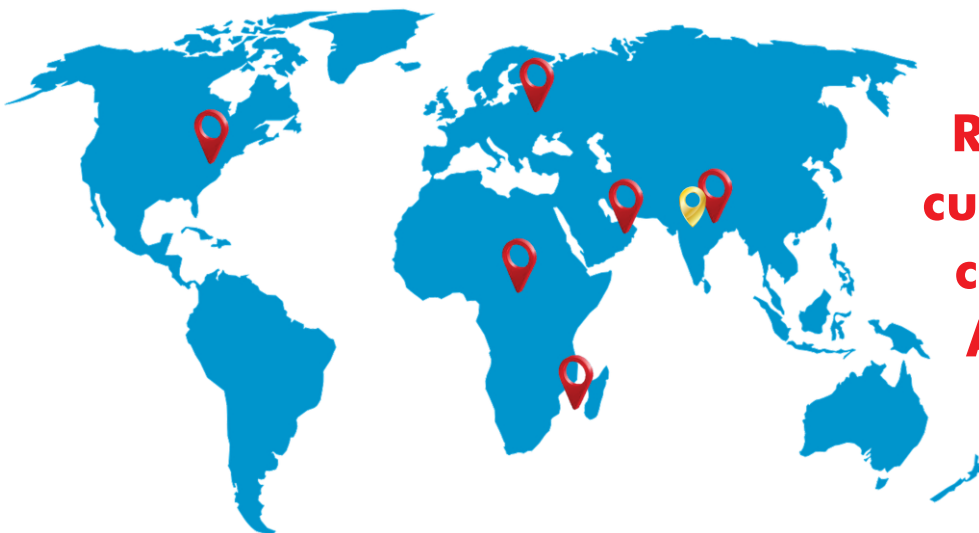

Dedicated team and well equipped area for furniture assembly and box packaging for high volume export requirements.

CLIENTELE

Through the previous years, we have successfully completed more than 1000 large scale projects of residential, office and institutional nature; for private developers as well as the government. Our years of experience adds up to our ability to handle complex situations in the order execution process. In order to ensure timely delivery of high quality products, 'Dynasty' has a set of control systems at all steps in the process - from material procurement, to production, delivery and on-site installation.

1000+ Completed Projects

100+ Channel Partners

Regular exports to customers in various countries of North America, Europe, Africa & Asia.
